## SKIMMING & PAYMENT TERMINAL ATTACK

Keeping Payment Terminal  
Transactions **SAFE** and  
**ATTACK FREE**

## ABOUT US

The **SAPTA WORKING GROUP** is comprised of public and private sector investigators from the International Association of Financial Crimes Investigators (IAFCI) that are committed to help **SAFEGUARD** terminals from both physical and logical attacks. SAPTA has members in your community and **ACROSS THE GLOBE** to assist you in your various investigations involving payment terminal crimes. If you are interested in joining the SAPTA working group, please send us an email at [ask-sapta@ncfta.net](mailto:ask-sapta@ncfta.net).

## OUR OBJECTIVES

**EDUCATION:** SAPTA's goal is to bring investigators from the public and private sector and industry experts together on a regular basis through monthly call-in sessions and training to collaborate, communicate and educate in the various areas of payment terminal fraud and attacks.

### **GUIDELINES AND BEST PRACTICES:**

SAPTA is dedicated to providing the latest techniques for the prevention, detection and investigation of payment terminal crimes.

### **COLLABORATION & COMMUNICATION:**

SAPTA's working group consists of global members committed to combating payment terminal fraud and attacks around the world. By working together, SAPTA can provide its working group members with the latest trends and tactics that criminals are using and most importantly methods to help prevent, identify and apprehend suspects involved in such activities.
